

BENEFITS OF SMS AND MMS WITH DIGICONN

1

Approved to send unlimited volume through our dedicated toll-free SMS number. Toll-free appears more professional and legitimate.

2

Use our 10DLC registered brand or allow us to register a 10DLC brand on your behalf. 10DLC improves deliverability and is less likely to be reported as spam.

3

SMS and MMS boast a staggering 98% open rate and 60% read the messages within 5 minutes of delivery.

4

Less expensive. SMS and MMS only cost a few pennies - cheaper than postage and labor to make manual outbound calls.

5

High volume capabilities. Our systems can generate and send hundreds of thousands of messages per day, with several million able to be sent monthly.

6

Free client portal. All messaging plans include a client portal to manage unlimited contacts, contact groups, outbound volume monitoring, and more.
